Dear Mr. Tarzi,

This letter is in response to the FEC inquiry dated March 5, 2013.

National Horizon filed a 48 Hour Notice on August 3, 2012 for activity taking place on August 2, 2012. That 48 Hour Notice was to also contain reportable activity from August 1, 2012.

On August 15, in preparing the Pre-Primary report that was due on August 16, 2012, it came to the committee's attention that the notice filed on August 3 did not contain the August 1 transaction as intended. The committee took immediate action to amend the August 3 notice to properly reflect both transactions.

If you desire any additional information, please feel free to contact me via telephone, email, or mail.

Sincerely,

David Satterfield  
Treasurer  
National Horizon
